

CRYPTO HOOPS

CryptoHoops gathers high-level individuals from the blockchain space - influencers, project managers, investors and other key crypto stakeholders. Sponsoring CryptoHoops tournaments puts your brand in front of people who matter in the industry for very little money.

For each tournament, we have put together 3 sponsorship packages. Our aim is to cover the costs of running the tournaments and expand the CryptoHoops community worldwide.

THE

\$2500

Have your company be the face of our tournament. As the main sponsor for the event, your name will be everywhere. All attendees will know who you are and you will have a chance to tell them more about your value proposition throughout the tournament.

THIS PACKAGE INCLUDES:

- Present the awards to the players
- Have the tournament named after you (e.g. CryptoHoops Prague by XYZ)
- One of the courts named after you (i.e. games throughout the tournament will be played on the "XYZ Court")
- Featured at the beginning of the aftermovie as the main sponsor
- Featured on jerseys and merchandise as the main sponsor
- One sponsored Telegram post in the group thanking you for being our main sponsor
- Optional - include a relevant prize on your behalf for the winners (e.g. if Ledger were sponsoring they could offer hardware wallets to the winners, an upcoming ICO could offer prize money in tokens OR you could airdrop a small amount to all tournament participants)

THE 3 POINT SHOT

\$1250

Get significant exposure within the CryptoHoops tournament and ensure you get your message across to all attendees.

THIS PACKAGE INCLUDES:

- Have the 3 Point Contest named after you (e.g. "The 3 Point Contest - Hosted by XYZ")
- Have one of the courts named after you (i.e. games throughout the tournament will be played on the "XYZ Court")
- Featured at the end of the aftermovie as one of the main sponsors
- Featured on jerseys and merchandise as one of the main sponsors
- One sponsored Telegram post in the group thanking you for being our sponsor
- Optional - include a relevant prize on your behalf for the winners (e.g. if Ledger were sponsoring they could offer hardware wallets to the winners, an upcoming ICO could offer prize money in tokens OR you could airdrop a small amount to all tournament participants); Note - limited depending on the offering of higher tier sponsors

THE FREE THROW
